Draft II.

Letter Ref.No.55184 D2/46-40 P.H., dated 5-9-49.

To

The Secretary to the Government of India ,
Ministry of Education, New Delhi.

Sir,

Sub: Formation of Councils on Blindness.

Ref: Your letter No.F.1-20/48 D-2 dated 22nd/23rd, October, 1948.

***

I am directed to say that this Government have since examined the proposal carefully and of opinion, that it should be easy to consult non-official organisations and institutions run by voluntary effort, in giving shape to Government policy, ~~whi~~ without the assistance of an eleborate council. Moreover, this Government doubt whether a Provincial Council will achieve any real purpose beyond general discussions and the making of recommendations, which, in any case will have to be scrutinis by the Government departments. This Government have therefore decided that a Provincial Council on Blindness i is not necessary for this Province.

Yours faithfully,
